Regular GRE and (if you'd
like) the Physics GRE*

*The Physics GRE is
optional at Yale

3

October: Apply for
graduate fellowships

4

October - December:
Write and refine your
personal statement
and CV

6

Late January:
Receive your
application decision

5

December 15th:
Yale Astronomy
application deadline

7

Late February/early
March: On-campus
visit for all accepted
students

8

April 15th: Accept or
reject your offer by this
date (the standard
deadline for all US
schools)
